Come out and join us for the 7th Annual District XI, AMA Northwest Jamboree, hosted by the Academy of Model Aeronautics and the Umpqua Valley Modelers R/C Club of Roseburg, Oregon. This is the biggest open R/C all fun, flying event in the District and a great opportunity to meet fellow modelers from other clubs around the region, along with your District AMA representatives. Kingery Field is a great venue for this years Jamboree. Fly off our 420'x 60' fabric runway with a wide open overfly area. We have a lot of space for your RV's, dry camping only, aircraft trailers and sunshades. Tailgate swaps are welcome, lots of great raffle prizes and free Pizza at the AMA membership meeting on Saturday evening. Sorry, no Turbines this year. All other Aircraft, Ducted Fans & Helicopters are welcome. Food Cart on site. Local RV parks with hook-ups, restaurants and motels in the area. Kingery Field is an AMA/FRIA approved flying site. Easy access from I-5. Come early, stay late and fly. (No charge for extra days)

Event Grand Prize \$5,200--1/3 Scale Fly Baby with an OS Pegasus 320 gas conversion engine, receiver ready.
